- Timeline- Make a picture timeline of all the events in the book and describe each picture in a sentence
- Illustration- Draw a picture of your favorite page. Explain in a paragraph why this page is your favorite.
- Main Character- Make a 3-D model of a main character and write and interview with that character
- Diorama- Construct a diorama of one of the main events in the book. Include models of characters, setting, objects, etc. Write a description of the scene. A shoebox makes a great place to build a diorama.
- Movie Poster- Pretend the book is going to be made into a movie. Include the title, author, drawings and summary of the book.
- Animation- Create a comic strip of your favorite scene. Add speech bubbles to help tell the story.
